Chairman

FROM THE DESK OF THE CHAIRMAN...

With great pride, I present to you the Jeyanthinather Academy of Marine Studies (JAMS) — South Tamil Nadu’s first green campus dedicated to marine education, spread across 48 acres of serene greenery. JAMS was founded with a vision to nurture knowledge, discipline, and excellence among the youth who aspire to build their careers in the maritime world. Our spacious campus offers an ideal environment for learning and growth. More than just an institution, JAMS is a promise — a promise to provide world-class training, modern facilities, and a platform for students to shine in the global maritime industry. The journey of establishing JAMS has been one of dedication and determination. What was once a dream has now taken shape as a reality, made possible by the support of many well-wishers and the grace of the Almighty. I welcome you all to be part of this voyage towards knowledge and success. Together, let us sail into a future filled with opportunities.

S.G. RAJESH, M.A., B.L.,
Director & Secretary

FROM THE DIRECTOR & SECRETARY’S DESK...

The Jeyanthinather Academy of Marine Studies (JAMS) established with a clear vision — to become a centre of excellence in maritime education and training. Rooted in values of discipline, integrity, and global standards, JAMS is dedicated to building a strong foundation for the maritime industry of tomorrow. Spread across a 48-acre green campus in South Tamil Nadu, our institution combines state-of-the-art infrastructure, experienced faculty, and industry-relevant programs to provide comprehensive academic and professional training. We are committed to delivering education that not only imparts knowledge but also instills the skills and resilience required for success in an increasingly competitive world. By fostering innovation, discipline, and responsibility, JAMS aims to serve as a trusted partner to the maritime sector and a proud contributor to the nation’s progress.

VISION

To be a leading maritime education and training institution recognized for excellence in developing competent, disciplined, and ethically responsible marine professionals who contribute to the safety of life at sea and protection of the marine environment.

MISSION

To Deliver high-quality maritime education and training in compliance with STCW and DG Shipping regulations, developing competent seafarers through academic excellence, practical training, and simulation. We foster a safe, ethical, and disciplined learning environment, promote safety and environmental responsibility, ensure stakeholder satisfaction, and drive continual improvement through effective governance and measurable objectives.

SPORTS AND EXPOSURE TRIPS:

JAMS Marine College provides a well-developed playground for outdoor sports such as Volleyball, Cricket, Football, and Shuttlecock, encouraging physical fitness and teamwork among students. The institution also places strong emphasis on practical learning and industry exposure. Regular educational visits are organized in Tuticorin port. These visits help students understand real-time maritime operations and port activities. Such practical-oriented training enhances students' knowledge and prepares them for successful careers in the maritime industry.

WE ROLL OUR VARIOUS MARINE COURSES

The faculty and infrastructure facilities of Jeyanthinather Academy of Marine Studies (JAMS) are second to none among its peers. Anchoring of knowledge is our prime aim and there is conducive atmosphere for teaching-learning process in the campus. We extend a hearty red carpet welcome to the aspiring students of Marine education from any part of India and assure them of traditional Tamil hospitality and International Standard marine education.

PEOPLE BEHIND THE COLLEGE:

Jeyanthinather Academy of Marine Studies (JAMS) is another milestone from the family of Jeyanthinather ITI and Marine Technology Institute run by SPET (S.Paripooranam Educational Trust). A stalwart in the field of vocational studies and higher education Jeyanthinather Academy of Marine Studies (JAMS) is a college offering prestigious courses in the field of Marine education in a sylvan settings. More than 20 years of unstinted services in catering to educational needs of rural students with an International outlook is a great strength heralding bright future for the aspiring students.

Value Added Services for Value Added Learning
A SECOND HOME

FACULTY

Well qualified experienced and dedicated faculty with excellent track record. The entire training meets the highest standards setup by International Maritime Organization and complies fully with the syllabus prescribed and approved by DGS. The course is conducted under the strict supervision and instruction of a team of qualified, experienced and dedicated Master Mariners, Chief Engineers, Ex-Indian Navy, Ex-Merchant Navy officers and Indian Coast Guard.

LOCATION

Jeyanthinather Academy of Marine Studies (JAMS) is located on the rural highway at Arasoor Poochikadu towards Thoothukudi port city in the southern part of Tamilnadu. It is 5 km away from Tisaiyanvilai and 52 Km from Thoothukudi port and airport.

The nearest railway stations are Nanguneri, Vallioor and Tiruchendur. The famous pilgrim town Tiruchendur, Vallioor and Nanguneri are just 30 Km away from the college. The college is situated in a Sprawling 20 acre campus full of greenery and palm trees with typical red soil. This is centrally located at a stretch of 133 km coastal belt along Kanyakumari to Rameswaram.
